Set the Mood

Moods for all styles and tastes, Mood Collections brings together handcrafted upholstery, designer mirrors and stylish accessories to form collections that combine exceptional quality with elevated modern style.

Brought to you straight from the makers, from the upholstery workshop in the rolling hills in the South Downs and the glass studio in Somerset, the range of

luxury upholstered pieces and handcrafted mirrors are all lovingly made to order and complemented by an array of home décor accessories.

Carefully curated with the utmost attention to detail, each of the six moods has been created to blend seamlessly and evoke the authentic essence of a chosen mood. Discover the collections, be inspired and put yourself in a good mood.
